Hi Joel,
Fernando again.
I want to ask for two things.
I want relicensing all my contributed code for RTEMS foundation.
* Can you replace the old email addresses correo@fernando-ruiz.com and the fruib@ctv.es for Fruibcasas@gmail.com before relicensing?

* Can you send to me a template email with the text inside your LinkedIn message to reply you acknowledging the new clause requested?

Best regards

Fernando Ruiz Casas

Hi RTEMS Foundationmanagers,

I grant permission to the RTEMS Foundation to relicense all my contributions from the current license to the 2 clause BSD license.

Sincerely.

Fernando RUIZ
